## SERENADE<sup>®</sup> GARDEN DISEASE CONTROL READY-TO-SPRAY

Item #	Size	Unit/case	MSRP
FGUS0042	28 oz	6 each	\$21.99

SERENADE<sup>®</sup> Garden Disease Control RTS prevents and controls harmful lawn and garden diseases including Powdery Mildew, Rust, Gray Mold and other listed diseases.

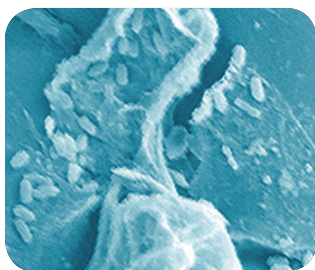

Powered by the same active ingredient used and trusted by commercial farmers and golf course superintendents. The active ingredient of SERENADE Garden RTS is a patented strain of *Bacillus subtilis* (QST 713)

Just attach to your garden hose and spray!

It's tough on bacterial and fungal diseases but leaves beneficial insects, including honey bees safe. SERENADE Garden Disease Control Ready-to-Spray is NOP approved, making it an ideal product for safety-minded homeowners.

*Mildew on Untreated  
Leaf Surface*

*SERENADE Destroys  
Germinating Fungal Spore*

*Always read and follow label directions for all products. Information here is not a substitute for directions on the product labels.*
